MIGUEL ÁLVAREZ REDONDO

MSC IN BIG DATA | INDUSTRIAL ENGINEER

ABOUT ME

Industrial Engineer, currently pursuing an MSc in Big Data & Business Intelligence; with a great interest in the added value that the use of these technologies and tools can bring to the business world.

I identify myself as a person with a great analytical capacity, optimal pressure management, proactive when it comes to teamwork, and a curious person with eagerness for improvement and continuous learning, which allows me to gradually improve my technical skills.

WORK EXPERIENCE

LAST MILE BUSINESS ANALYST INTERN
Amazon | Mar. 23 - Actualidad | Full Time

- Designed a comprehensive weekly savings report for a high-value project, successfully quantifying the estimated savings at $1.5M/y.
